Chapter 1

The mother
here can
trick to
whitewash
it. There are
only these
two types
of girls...

Girls
liked by
guys, and
girls not
liked by
guys...

Probably one
day, the
tentacle **IF**
would suddenly
strike your
heart...

And if un-
fortunately,
you are
the latter...

**I MIGHT
POSSIBLY
BE A VIRGIN
UNTIL
PM 30!!**

The
latter

Even
modern
day women
are
scared.

Fu-kun (Cat)

An animal with an amazing ability to make gestures appear to baby-talk. A man I used to date did that, and it chilled me to the core of my being. (I, too, like cats, but it more.) I told my friend about it later and we made fun of him instead of being, using the nickname "Fu."

Does that make me a bad person? Does it? What do you think?

Commentary on "The Day of Finals"

Finals. . . Yes, finals.

When I was a student, the only thing I liked about finals was the fact that we could go home earlier than usual. When you're studying in the middle of the night, preparing for exams, do you ever get the sudden urge to scream and go berserk because everything is just so horrible? (Or is it just me?)

This manga is centered on that kind of emotion. It's not particularly smart or elegant, but it's full of...

passion. That's all.

16 pages of idiotic manga.

Make sure to fasten the
